Highlights of the meeting

- Secretary shared with the board members on the status of the projects undertaken by the municipality for FY 2021/2022.
- Reports by various subcommittees as follows;
 - Urban Infrastructure Committee*-Committee had visited projects funded by the KUSP and shared their views to the board noting that most of the projects except a few were implemented within their schedule.
 - Urban Business and trade Committee*-Need for more public engagement on projects undertaken by municipality. Also raised concern about non-working streetlights affecting business operations and posing insecurity.
 - Urban Environment Committee*-Committee noted accumulation of garbage brought about by garbage collection machines breakdown and recommended for regular vehicle service. They also noted vandalism of installed litterbins in town which they recommended for sensitization.
 - Urban Governance committee*-requested the chair to forward the proposed by-laws (Designated Parking Places by-law, Public Parks and Open Places by-law, Control of livestock by-law and Solid Waste Management by-law) to the County Executive Committee Member for the Ministry.
